fects the Whole Market.

market to-day were generally higher

Serious recessions, however, followed later in some of the industrials which practically squashed the early gains. Third Avenue opened strong -- 1 1points above Saturday, at 69 1-2-then jumped to 69 3-4, but soon lost the ad ance and fell below the close of Saturday, thus affecting the whole list. Metropolitan was the most depress

issue, operators apparently being op-posed to the absorption of the Third Avenue road. The stock opened flat at 161 and was later hammered to 150 1-2. The railway stocks maintained the early fractional gains. Tennessee Coal & Iron gained a point, at 263-4, and lost it immediately, but a moment later registered a point below Saturday noon Sugar started at 102 3-4, dropped to 102 1-2 and recovered again to 103, 5-8 per cent, higher than Saturday. Brook-

lyn Rapid Transit and Manhattan eased Purchases for both accounts caused a September; 8.32 to 8.34; August, 9.19 to 9.39; material rise in values in which Sugar, Tobacco and Third Avenue got from 1 7.86 to 7.83; Lanuary, 7.87 to 7.83; Februto 2 points above Saturday's close. ary, 7.87 to 7.89. Market barely steady.

to 2 points above Saturday's close. Other specialities which suffered earlier. Other specialities which suffered earlier. New York Airbrake rose 8th. Large absorption of railroad stocks brought their level to the best of the morning. The transactions in Cotorado Southern were noteworthy. One block of 6,000 Means Surbier Says Rushand in

Only men engaged in a severe outdoor manual labor can live on a heavy meat diet and continue in bealth. As a general rule, meat once a day is sufficient for all classes of men, women and children, and grains, fruit and vegetables should constitute the bulk of food eaten. But many of the most nutritious foods are difficult of digestion, and it is of no use to advise brain workers to eat largely of grains and vegetables where the digestion is too weak to assimilate them properly. It is always best to get the best results
